HEALTHY EYES GUMMIES

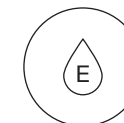

Food supplement, 60 gummies

Blueberry extract can help to maintain a normal eye function, visual clarity, and normal ocular blood flow. Anthocyanidins reduce eye aging, improve night vision, and inhibit cataracts and yellow spot. Proanthocyanidins are significant for the eyes: they protect the eyes as antioxidants and strengthen the retinal capillaries, making them useful in eye diseases such as cataracts, diabetic retinopathy, perpetual macular degeneration.

Vitamin A helps to maintain normal vision. It is also known as retinol because it produces the pigments in the retina of the eye. Vitamin A promotes good eyesight, especially in low light.

Vitamin E helps to protect cells from oxidative damage. Vitamin E is the major lipid-soluble component in the cell antioxidant defence system and is exclusively obtained from the diet. It has numerous important roles within the body because of its antioxidant activity.

NUTRIENTS	IN 1 GUMMY	NRV*, %	IN 2 GUMMIES	NRV*, %
European blueberries fruit extract (25% of anthocyanosides)	30 mg (7.5 mg of anthocyanosides)	-	60 mg (15 mg of anthocyanosides)	-
Vitamin E	6 mg α-TE	50	12 mg α-TE	100
Astaxanthin	0.25 mg	-	0.5 mg	-
Vitamin A in micelles	0.4 µg RE	50	0.8 µg RE	100

*NRV is the nutrient reference value. (–) means NRV is not established.

Ingredients: concentrated apple juice, apple purée, blueberry purée, gelling agent: apple pectin, standardized European blueberries (*Vaccinium myrtillus*) fruit extract, DL-α-tocopheryl acetate (vitamin E), astaxanthin from algae *Haematococcus pluvialis* extract, natural flavoring, vitamin A in micelles (polyoxyethylene sorbitan monooleate (polysorbate 80), retinyl palmitate, stabilizers: polyoxyethylene sorbitan monolaurate (polysorbate 20), ascorbic acid, water, tocopherol-rich extract in vegetable oil).

Use: For children over 12 years and adults – up to 2 gummies per day.

Restrictions for use: Do not use in case of hypersensitivity (allergy) to any of the ingredients. During pregnancy and breast-feeding, use only after consulting a doctor.

Warnings: The food supplement should not be used as a food substitute. Do not exceed the recommended daily dose. A varied and balanced diet and a healthy lifestyle are important.

Keep in the original packaging, in a dry place in the temperature not above 25 °C, away from heat sources and direct sunlight, out of reach of children.

Suitable for vegetarians and vegans.

ENERGY GUMMIES (CAFFEINE-FREE)

Food supplement, 60 gummies

Panax ginseng root extract can help to reduce fatigue, increases and maintains energy. Ginseng helps the body to adapt to the physical and mental stress. Improves endurance. Increases concentration and cognitive function. Fights mental and physical fatigue.

Rhodiola rosea root is used for increasing energy, stamina, strength and mental capacity; and as a so-called “adaptogen” to help the body adapt to and resist physical, chemical, and environmental stress.

NUTRIENTS	IN 1 GUMMY	NRV*, %	IN 4 GUMMIES	NRV*, %
Panax ginseng root extract (> 20% of ginsenosides)	37.5 mg (7.5 mg of ginsenosides)	-	150 mg (30 mg of ginsenosides)	-
Rhodiola rosea root extract (>3% of rosavins, > 1% of salidroside)	37.5 mg (1.125 mg of rosavins, 0.375 mg of salidroside)	-	150 mg (4.5 mg of rosavins, 1.5 mg of salidroside)	-

*NRV is the nutrient reference value. (–) means NRV is not established.

Ingredients: concentrated apple juice, apple purée, concentrated orange juice, gelling agent: apple pectin, standardized Panax ginseng root extract, standardized Rhodiola rosea root extract, natural orange flavoring.

Use: For children over 12 years and adults – up to 4 gummies per day.

Restrictions for use: Do not use in case of hypersensitivity (allergy) to any of the ingredients. During pregnancy and breast-feeding, use only after consulting a doctor.

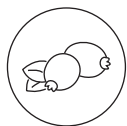

Warnings: The food supplement should not be used as a food substitute. Do not exceed the recommended daily dose. A varied and balanced diet and a healthy lifestyle are important.

Keep in the original packaging, in a dry place in the temperature not above 25 °C, away from heat sources and direct sunlight, out of reach of children.

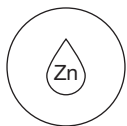

Suitable for vegetarians and vegans.

IMMUNE GUMMIES

Food supplement, 60 gummies

Dog rose (rose hips) contain a lot of vitamin C, so they share many uses with vitamin C including preventing and treating colds, flu, and vitamin C deficiencies. Vitamin C is an important vitamin and antioxidant that the body uses to keep you strong and healthy. Vitamin C is used in the maintenance of bones, muscle, and blood vessels.

Zinc helps to protect cells from oxidative damage. Zinc may effectively reduce inflammation, boost immune health, reduce your risk of age-related diseases, speed wound healing and improve acne symptoms.

Ginger root contains bioactive compounds. Bioactive compounds are phytonutrients found in certain foods that have beneficial effects on your health. The most notable bioactive compounds in ginger are gingerols and shogaols. Lastly, ginger has antioxidant properties. Antioxidants may provide protective and healing benefits against disease.

NUTRIENTS	IN 1 GUMMY	NRV*, %	IN 4 GUMMIES	NRV*, %
Ginger root dry extract	37.5 mg	-	150 mg	-
Black elder fruit extract (25% of polyphenols)	37.5 mg (9.4 mg of polyphenols)	-	150 (37.5 mg of polyphenols)	-
Dog rose fruit extract	37.5 mg	-	150 mg	-
Vitamin C	20 mg	25%	80 mg	100%
Zinc	2.5 mg	25%	10 mg	100%

*NRV is the nutrient reference value. (–) means NRV is not established.

Ingredients: concentrated apple juice, apple purée, concentrated black currant juice, gelling agent: apple pectin, ginger (Zingiber officinale) root dry extract, standardized black elder (Sambucus nigra) fruit dry extract, dog rose (Rosa canina) fruit extract, L-ascorbic acid (vitamin C), zinc gluconate, natural flavoring.

Restrictions for use: Do not use in case of hypersensitivity (allergy) to any of the ingredients. During pregnancy and breast-feeding, use only after consulting a doctor.

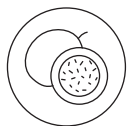

Warnings: The food supplement should not be used as a food substitute. Do not exceed the recommended daily dose. A varied and balanced diet and a healthy lifestyle are important.

Keep in the original packaging, in a dry place in the temperature not above 25 °C, away from heat sources and direct sunlight, out of reach of children.

Suitable for vegetarians and vegans.

SLEEP & CALM GUMMIES

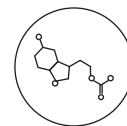

Food supplement, 60 gummies

Purple passionflower extract can help to relax and fall asleep. It has a fear-suppressing effect. Used for insomnia, anxiety, adaptation disorders with an anxious mood, attention deficiency and hyperactivity syndrome. Also used when stress is experienced.

Lemon balm leaves extract is a member of the mint family, is considered a calming herb. It was used as far back as the Middle Ages to reduce stress, anxiety and promote sleep.

Melatonin is a hormone produced by the pineal gland in your brain. It's primarily responsible for regulating your body's circadian rhythm to manage your natural sleep cycle. Therefore, it's often used as a sleep aid to combat issues like insomnia. In addition to improving sleep, melatonin is also involved in managing immune function, blood pressure and cortisol levels.

NUTRIENTS	IN 1 GUMMY	NRV*, %	IN 4 GUMMIES	NRV*, %
Extract of the aerial parts of purple passionflower (> 3.5% of flavonoids)	75 mg (2.625 mg of flavonoids)	-	300 mg (10.5 mg of flavonoids)	-
Extract of lemon balm leaves	37.5 mg	-	150 mg	-
Melatonin	0.25 mg	-	1 mg	-

*NRV is the nutrient reference value. (–) means NRV is not established.

Ingredients: concentrated apple juice, apple purée, concentrated passionflower fruit, extract of the aerial parts of purple passionflower (*Passiflora incarnata*), gelling agent: apple pectin, extract of lemon balm (*Melissa officinalis*) leaves, natural flavoring, melatonin.

Use: For children over 12 years and adults – 2–4 gummies per day.

Restrictions for use: Do not use in case of hypersensitivity (allergy) to any of the ingredients. During pregnancy and breast-feeding, use only after consulting a doctor.

Warnings: The food supplement should not be used as a food substitute. Do not exceed the recommended daily dose. A varied and balanced diet and a healthy lifestyle are important.

Keep in the original packaging, in a dry place in the temperature not above 25 °C, away from heat sources and direct sunlight, out of reach of children.

Suitable for vegetarians and vegans.

ANTI-AGING GUMMIES

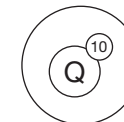

Food supplement, 60 gummies

Common grape vine fruit extract can help maintain healthy blood vessels and the integrity of capillaries, normal cell activity and functions. Besides being a wellspring for vitamins and fiber, the skin and seeds of grapes are highly rich in Polyphenols specifically proanthocyanidin, which can be used as a functional ingredient to address various health issues by boosting the natural bio-processes of the body.

Maritime pine bark extract can help protect the walls of blood vessels and maintain good blood circulation. This plant contains compounds which appear to have antimicrobial, antioxidant, and anti-inflammatory effects on the human body. As such, pine bark extract shows great potential as a therapeutic herbal supplement. Pine bark extract provides many benefits to the skin, including reducing the signs of aging.

Coenzyme Q10 positively influences the age-affected cellular metabolism and enables to combat signs of aging starting at the cellular level. Some research shows that supplementing with it may slow age-related physical decline and improve quality of life. The best thing about Coq10 is that it works and helps to keeps our skin healthy and younger looking. By supplementing our natural levels with MitoQ, we can support continuous production of keep our collagen and elastin in perfect shape leading to firmer and more elastic, younger looking skin.

NUTRIENTS	IN 1 GUMMY	NRV*, %	IN 2 GUMMIES	NRV*, %
Common grape vine fruit extract (90% of polyphenols, 50% of flavanols)	45 mg (40.5 mg of polyphenols, 22.5 mg of flavanols)	-	90 mg (81 mg of polyphenols, 45 mg of flavanols)	-
Maritime pine bark extract (> 90% of oligomeric proanthocyanidins)	25 mg (22.5 mg of oligomeric proanthocyanidins)	-	50 mg (45 mg of oligomeric proanthocyanidins)	-
Coenzyme Q10 in micelles	5 mg	-	10 mg	-

*NRV is the nutrient reference value. (–) means NRV is not established.

Ingredients: concentrated apple juice, apple purée, concentrated mango juice, standardized common grape vine (*Vitis vinifera*) fruit extract, gelling agent: apple pectin, standardized maritime pine (*Pinus pinaster*) bark extract, coenzyme Q10 in micelles (stabilizer: polyoxyethylene sorbitan monooleate (polysorbate 80), coenzyme Q10 of natural origin), natural flavoring.

Use: For children over 12 years and adults – 2 gummies per day.

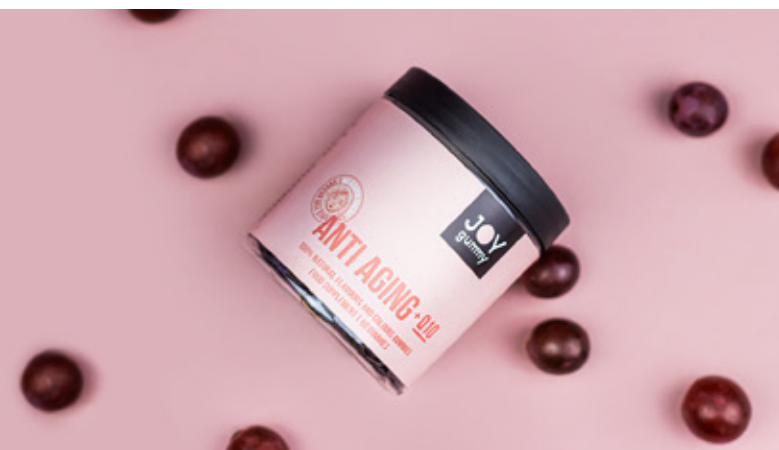

Restrictions for use: Do not use in case of hypersensitivity (allergy) to any of the ingredients.

During pregnancy and breast-feeding, use only after consulting a doctor.

Warnings: The food supplement should not be used as a food substitute. Do not exceed the recommended daily dose. A varied and balanced diet and a healthy lifestyle are important.

Keep in the original packaging, in a dry place in the temperature not above 25 °C, away from heat sources and direct sunlight, out of reach of children.

Suitable for vegetarians and vegans.
